PATIENT PORTAL

WHAT IS THE PATIENT PORTAL AND WHO CAN USE IT?

The Patient Portal is a solution developed for the Patients of LUX MED Group to enable them to:

- book and cancel appointments,
- consult doctors' schedules,
- access laboratory test results,
- view the doctor's commentary to laboratory tests,
- check the available cooperating facilities,
- ask their doctor a question via e-Questions,
- voice their opinions on our medical services,
- access to e-Patient Card.

Detailed terms and conditions of using the online Patient Portal may be found in the regulations available at www.luxmed.pl and at the reception desks of our facilities. All patients with an active medical care package with the LUX MED Group are entitled to use this service.

We have also prepared a mobile version of the Patient Portal. The app is available for iPhones, iPads and for other Android devices. For those who use devices with other operating systems, we have devised a Mobile Patient Portal available at: m.grupaluxmed.pl.

HOW CAN I GET ACCESS TO THE PATIENT PORTAL?

Go to www.luxmed.pl and click "register" in the Patient Portal/e-booking section, then enter your details in the appropriate fields (name, PESEL (Personal ID No), e-mail and mobile phone number as well as your login). The password for your first login will be sent to you via a text message. In order to gain access to all the functionalities of the Patient Portal (II level), including the possibility of viewing test results on-line, you need to **personally report to a reception desk** at any LUX MED Group medical centre to verify your data and sign a copy of our regulations.

ASSISTANCE IN EMERGENCY CASES

WHAT SHOULD I DO IN THE EVENT OF AN EMERGENCY?

You can get assistance in emergency situation round the clock by calling our **HOTLINE number: 22 196 70**.

WHEN AND HOW CAN I REQUEST A DOCTOR'S HOME VISIT?

Home visits are performed in the case of patients who have access to such services as part of their package.

The decision on accepting or refusing a home visit is made by the medical dispatcher, based on the information provided.

Home visits are carried out only in cases of **sudden illnesses** or **sudden deterioration** of medical condition, e.g. exacerbations of chronic disorders, excluding conditions constituting an imminent threat to life. Children are eligible for a home visit if their condition prevents them from coming to a medical centre.

A home visit is a service of emergency assistance, which is provided only on the day it is requested.

It is not possible to choose the physician who will perform the home visit.

Please note that the following situations do not warrant a doctor's home visit:

- problems in reaching a facility,
- a follow-up visit,
- the need to obtain a prescription for a drug, a medical certificate, a referral, or a medical leave.

To check the area covered by medical assistance, please consult the **Toolbox** section at www.luxmed.pl or call our information line **22 33 22 888**.

MEDICAL CARE AT OUR FACILITIES

WHAT DO I NEED TO HAVE WITH ME TO USE A MEDICAL SERVICE AT A FACILITY?

Details of access to particular facilities are specified in the agreement.

Please present your ID card at the reception desk during each visit to a facility. Patient's rights are verified on the basis of the ID card and the PESEL number (Personal ID No).

In LUX MED Group partner facilities throughout the country please show additionally your Patient Card or Patient e-Card.

Patient e-Card is available via:

- Patient's Portal at www.luxmed.pl
- Mobile LUX MED applications for iOS and Android devices
- Mobile Patient's Portal — for mobile devices at: <https://m.grupaluxmed.pl/PatientPortalMobile>.

WHAT DATA IS NEEDED TO ISSUE A MEDICAL LEAVE?

In order to issue a medical leave, the following data is necessary: **PESEL (Personal ID No)** and **NIP (Tax ID No)** of the employer.

CAN A FAMILY MEMBER OR A PERSON WHO IS NOT THE LEGAL GUARDIAN OF A CHILD ACCOMPANY THE CHILD TO A VISIT AND UNDER WHICH CONDITIONS?

Patients under the age of 18 may take advantage a medical consultation, blood sample taking, diagnostics and rehabilitation services solely in the presence of a statutory representative or a de facto guardian. If the child is under the care of a de facto guardian, the said guardian is obligated to present **a written authorisation from the statutory representative**. A template of the authorisation can be downloaded from our website www.luxmed.pl you will find it in the **Toolbox – Document samples**.

WHAT DO I NEED TO GET A PRESCRIPTION FOR REIMBURSED DRUGS?

To obtain a prescription for reimbursed drugs you need to **confirm your eligibility for healthcare services funded by the NFZ** (National Health Fund). LUX MED doctors have access to the eWUŚ system which verifies the eligibility of beneficiaries (the "Electronic Verification of Eligibility of Beneficiaries" portal — eWUŚ"). To obtain a prescription for reimbursed drugs, the outcome of verification in the eWUŚ system, based on the PESEL number, must be positive. Patients who do not feature in the system eWUŚ as insured parties will be asked to fill in a declaration that they are covered by insurance. In the absence of a positive verification and the Patient's refusal to fill in the declaration of eligibility for benefits, a non-reimbursed prescription will be issued. Verification in the eWUŚ system is valid only on the day (24-hour period) of providing the service.
