Imagine for a minute the unthinkable – what if you suddenly died?

Your group benefits plan provides some life insurance, but would it be enough to:

- Replace your lost income
- Pay off debts
- Pay off your mortgage
- Cover monthly bills
- Pay for a child’s education or a spouse’s retirement

Did you answer “no” to any of those? That probably feels unsettling and scary to consider. After all, you may have loved ones that depend on your income. Our optional group term life insurance helps prepare for the “just in case”. Together, we can top-up your basic group life insurance and help you build a plan to ensure your loved ones’ financial future is secure.

Are you and your spouse under the age of 65 ?
You can apply for coverage!

When you’re accepted, the premium comes right off your pay each month. You don’t even have to think about it.

You can buy coverage in units of 10,000 – up to a maximum of 500,000 per person.
